## Thessaloniki Rhino Days 2022

### Qualitative Results

#### Evaluation

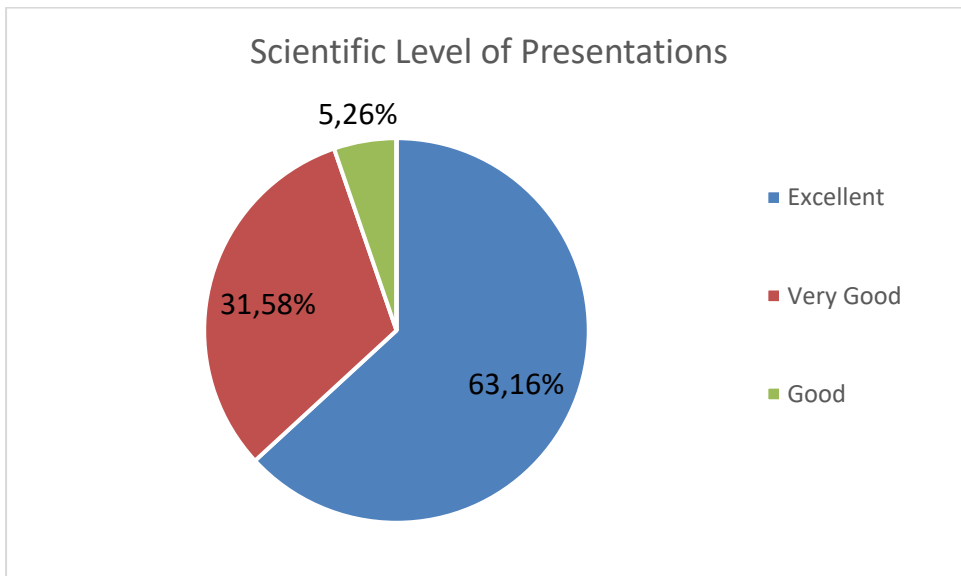

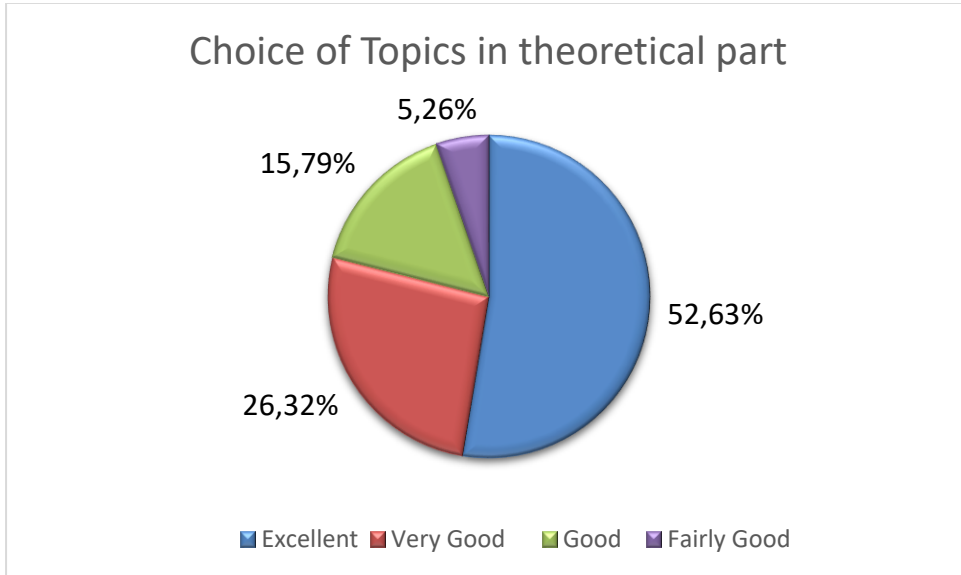

---

The RhinoDays 2022 was held successfully in Thessaloniki, Greece on May 26-29,2022. The hands-on courses, FESS & Rhinoplasty, were evaluated by 38 participants and the results are the following:

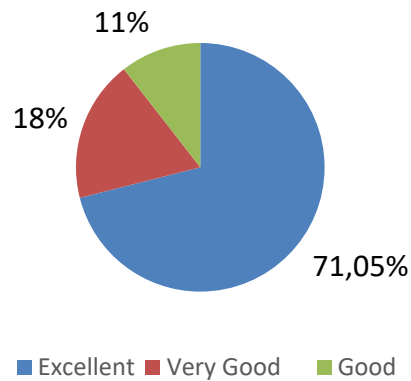

# Thessaloniki Rhino Days 2022

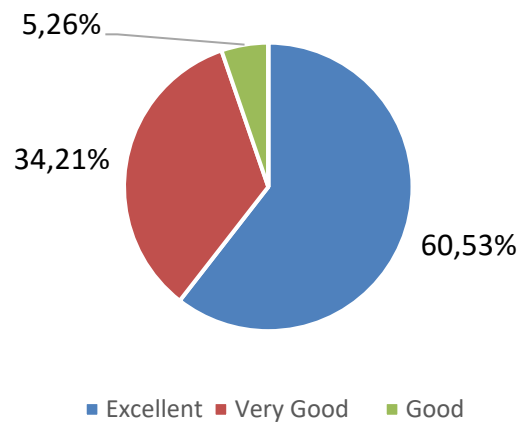

## Thessaloniki Rhino Days 2022

Was the presented information well balanced and consistently supported by a valid scientific evidence base?

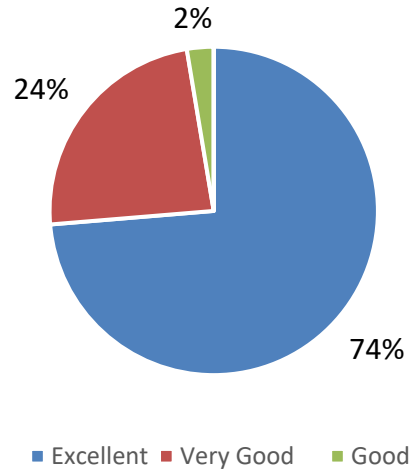

Did the event fulfil your educational goals and expected learning outcomes

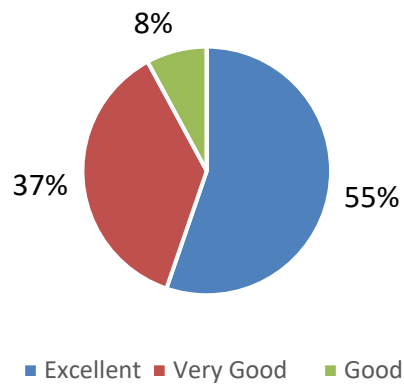

## Thessaloniki Rhino Days 2022

Overall evaluation of speakers

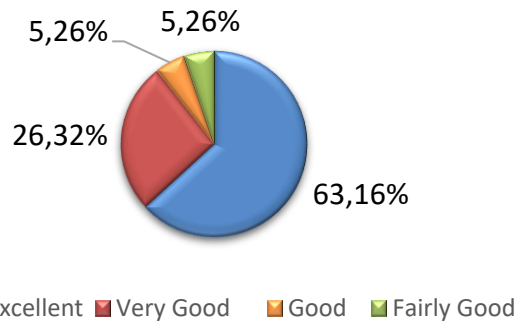

Was there adequate time available for discussions, questions & answers and learner engagement?

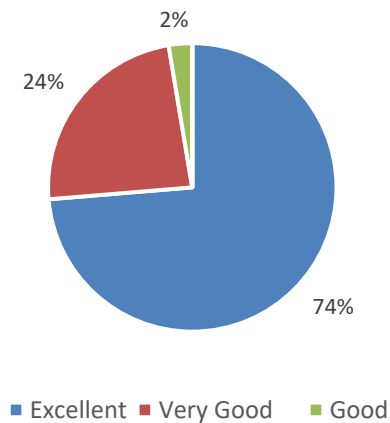

## Thessaloniki Rhino Days 2022

Did all the faculty members provide their potential conflict of interest declaration with the sponsor(s) as a second slide of their presentation?

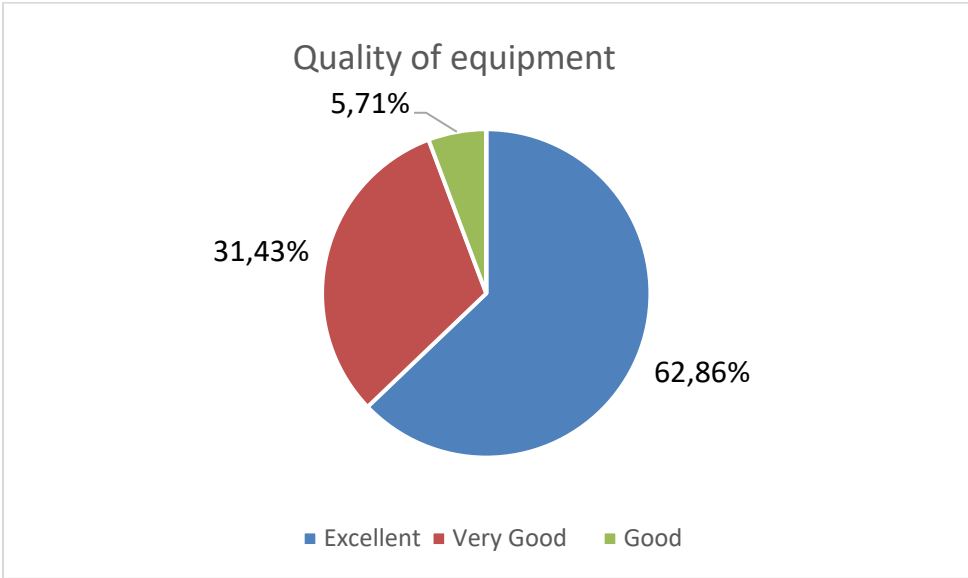

Do you agree that the information was overall free of commercial and other bias?

# Thessaloniki Rhino Days 2022

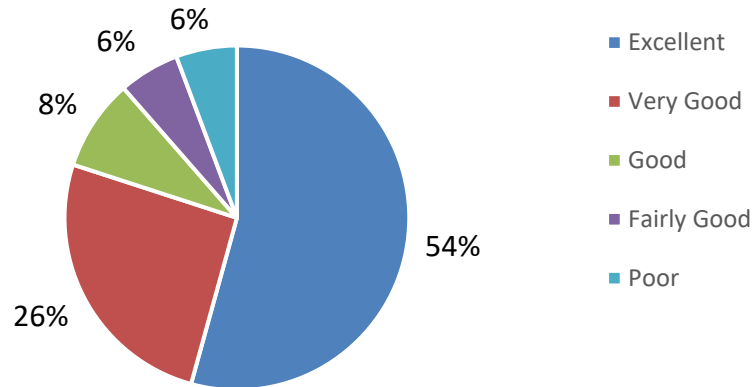

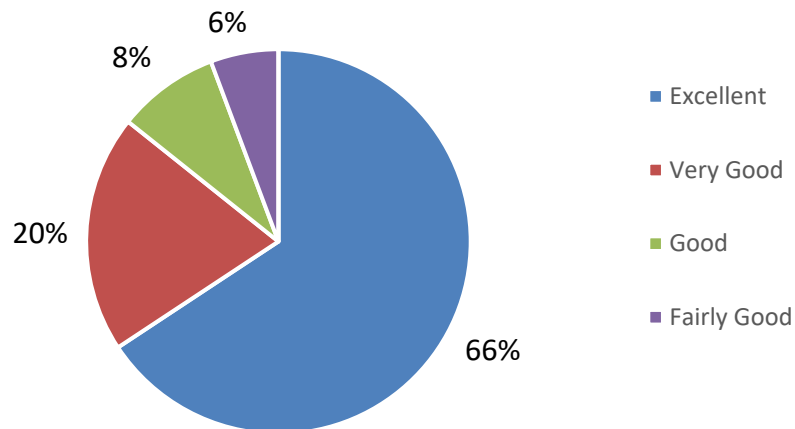

## Thessaloniki Rhino Days 2022

Did you have enough time to work on the specimen?

Did you have sufficient supervision?

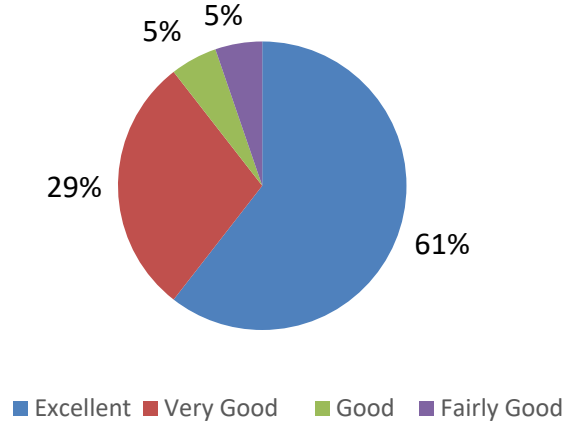

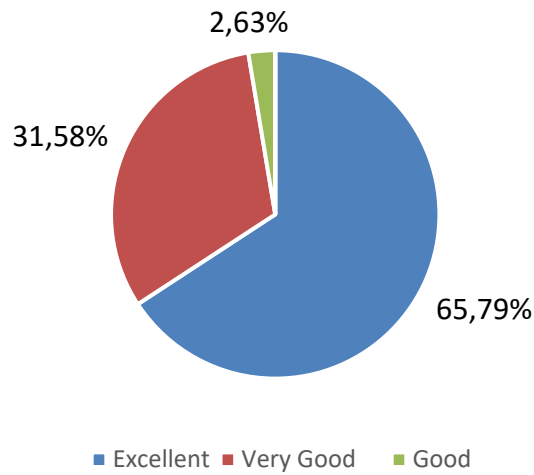

## Thessaloniki Rhino Days 2022

Is the registration fee justified by the level of the  
Course?

Overall evaluation of the course

## Thessaloniki Rhino Days 2022

### What was the best aspect of this event?

- cadaver course & excellent speakers
- the hands-on part of the course
- sufficient time on the lab
- dissection
- high education
- rhinoplasty presentation by Jose Carlos Neves
- J Carlos Neves
- Rhinoplasty
- rhinoplasty + dissection
- the organization, the instrumentation
- ALL
- ALL
- high quality equipment
- cadaveric dissection
- scientific tutors
- everything
- 2 courses at once
- everything :) , international faculty, organization
- organization - speakers
- lunch, interaction, clinical applicability
- interaction, friendly
- very systematic approach, perfect organization
- videos
- lectures
- plenty of time to work on the specimens
- High quality equipment and navigation
- cadaver dissection
- handson part
- dissection
- scientific level of presentations
- cadaver dissection
- I thought the lectures were of a very high quality and it was a great benefit of this course to perform cadaver dissection.
- dissection & discussions
- dissection time

### Would you apply for a similar course in the future?

- 36 people replied Yes
- 1 person replied Maybe
- 1 person replied “after some years”
